Cable USB-C-lightning Remax Ranger II, RC-C002, 1m, 20W (black)

Ref: 6954851241041

Cable USB-C-lightning Remax Ranger II, RC-C002, 1m, 20W (black)

The Remax Ranger II is a high-quality angled cable that will come in handy especially for movie watching or gaming enthusiasts. It allows you to use your devices comfortably while charging - forget about protruding connectors. The product features up to 20 W of power and 2.4 A of current. It is also very durable and resistant to damage - TPE and aluminium alloy were used to make it. The cable length is 1 m.

Impressive power

With a maximum power of 20 W and up to 2.4 A of current, the cable allows you to charge your iPhone quickly. So you can save a lot of time! About to leave the house and your phone is about to run out of power? With Remax you will charge it in no time!

Enjoy the convenience

An additional advantage of the Remax Ranger II cable is its angled design. This allows you to use your device freely while charging - you won't be bothered by protruding connectors! This is ideal if you often play mobile games or watch videos on your smartphone.
