Cable HDMI REMAX Yeelin RC-C017a, 1,8m

Ref: 6954851242765

Cable HDMI REMAX Yeelin RC-C017a, 1,8m

Remax Yeelin is a 1.8m USB-C to HDMI cable that provides stable signal transmission and supports high resolution up to 4K. With plug & play functionality, you can easily connect your computer, laptop or phone to a TV, projector or monitor to watch your favourite series or play a game on a bigger screen. It's perfect for movie night with friends or family viewing of holiday photos!

Don't miss a detail

The cable can deliver fantastic 4K picture quality, making watching movies or playing games even more enjoyable. Don't let any detail escape you! Also noteworthy is the low latency - enjoy unparalleled smoothness and comfortable entertainment.
