

Cable USB-C-lightning Remax Ledy, RC-C022, 30cm, 20W (white)

Ref: 6954851233145

Cable USB-C-lightning Remax Ledy, RC-C022, 30cm, 20W (white)

Cable USB-C-lightning Remax Ledy, RC-C022, 30cm, 20W (white)

Enjoy fast charging of your devices and transfer files in no time. The Remax Ledy cable provides up to 20W of power and transmission speeds of up to 480 Mbps. It's also highly durable and damage-resistant, yet compact at only 30cm long. As a result, it doesn't take up much space and is easy to transport - it fits easily into a handbag or backpack.

Charges with up to 20W of power

With a maximum power of 20W, the cable allows you to quickly charge your devices with a Lightning port, such as your iPhone and iPad. You no longer have to wait too long for them to be ready to use! However, that is not all. The intelligent chip and the reinforced cable are responsible for stable yet safe charging - don't worry about damaging your devices.

Fast file transfer

Do you often copy files between devices? The Ledy cable will come in handy for this too! It offers transmission speeds of up to 480 Mbps, so you can transfer all the photos, videos or documents you need in the blink of an eye. No more long waits! It now only takes around 1 minute to copy 2 GB of files.
