Ref: 6954851204411

Cable USB-C Remax Zisee, RC-030, 66W, 1,2m (grey)

Cable USB-C Remax Zisee, RC-030, 66W, 1,2m (grey)

The Remax Zisee cable provides up to 66 W of charging power, so you can charge your devices in no time. It's made from durable materials such as TPE and aluminium alloy, which translates into durability. It also has a built-in screen that displays the charging parameters in real time. The cable length is 1.2 m.

66 W fast charging

With a power output of up to 66 W, you can charge your devices such as smartphones, wireless headphones or tablets in no time. Don't wait too long for your equipment to be ready to use - save time with Remax! This is the ideal solution for people who value efficiency.

Built-in display

The Remax Zisee cable has a built-in screen that will allow you to check the charging power in real time. This allows you to monitor its performance, and you will also quickly find out if there are any problems with the device you are charging. Now all you have to do is take a look to make sure everything is working as it should!
