

Wireless Bluetooth Speaker W-KING T8 30W (silver)

Wireless Bluetooth Speaker W-KING T8 30W (silver)

Ref: 6958917501049

W-KING T8 30W Bluetooth Wireless Speaker (silver)

The W-KING T8 wireless speaker delivers bass-rich sound. It connects to a compatible device via Bluetooth and provides a stable signal up to 10m. In addition, it offers USB and 3.5mm audio ports. What's more, it's IPX6 water resistant, and the portable design means you can take it almost anywhere.

Impressive sound quality

With the W-KING T8, you'll hear previously elusive details of your favorite tunes. The speaker uses 2 3-inch subwoofers and 2 31mm tweeters. As a result, you can enjoy a sound rich in detail and bass tones.

Stable connection

Are you preparing a party for friends, or maybe hosting a garden barbecue for the family? In these and similar situations, the W-KING T8 will come in handy. The speaker works wirelessly, and a special handle will make it easy to carry the equipment. The speaker supports Bluetooth version 4.2, which translates into fast and stable signal transmission of up to 10 m. Moreover, the product automatically connects to the last paired device.

Easy to use

The W-KING T8 wireless speaker is distinguished by its convenient and intuitive operation. Using the buttons on the top, you can change modes, adjust volume, skip songs or stop/resume playback. On the back, on the other hand, you'll find a power and reset button. In addition, USB and audio ports will allow you to connect to the speaker, for example, a flash drive or headphones. Moreover, LED indicators will provide you with information about the device's operating status.
