Ref: 6958917540338

W-KING K3H 100W Bluetooth Wireless Speaker (Black)

The W-KING K3H wireless speaker is perfect for both music listening and karaoke. It boasts a powerful 100W output and delivers fantastic sound quality. It operates wirelessly and offers a runtime of approximately 3.5-8 hours. Additionally, it is IPX6 waterproof. This product allows you to play music in various ways, including via Bluetooth, from a TF card, a USB reader, or a device connected through an AUX cable. The package also includes a microphone and a remote control.

Outstanding Sound Quality

Turn any gathering into a party. The K3H speaker is equipped with a 5.25-inch subwoofer and a 2.5-inch high-treble driver, ensuring clear, detailed sound, pleasant high tones, and powerful deep bass. It also boasts a maximum power output of up to 100W. All of this translates to an unforgettable musical experience - your favorite songs have never sounded better!

High-Capacity Battery

Planning a party or a barbecue with friends? Leave those unnecessary cables at home and enjoy the freedom! The K3H speaker operates wirelessly and comes with a high-capacity 13,200mAh battery, providing a runtime of 3.5-8 hours. Charging the device is convenient with the included cable. Say goodbye to limitations and listen to music as long as you want!

Multiple Music Playback Options

The K3H speaker allows you to conveniently play music from various sources. If you value the freedom offered by wireless solutions, connect via Bluetooth 4.2. This technology ensures reliable, fast transmission with a range of up to 10 meters! The device is also compatible with USB drives and TF cards. You can also connect your chosen device using an AUX cable.

Designed to Suit You

Unexpected rain during a barbecue or a spilled drink – don't worry about damaging the speaker. The K3H model is IPX6 waterproof, so accidental splashes and water drops won't pose a threat. Special knobs and buttons make the device easy to operate. You can also control it remotely using the included remote control.

Show off Your Vocal Skills

Planning a karaoke party? Or perhaps you want to organize a spontaneous concert with friends? The K3H speaker is perfect for such occasions too! The package includes a wireless microphone, and the device is equipped with a special port for connecting a wired microphone. You can also record sound and save recordings, for example, on a memory card or USB drive.
