

Wireless Bluetooth Speaker W-KING T9 Pro 120W (black)

Ref: 6958917500899

Wireless Bluetooth Speaker W-KING T9 Pro 120W (black)

W-KING T9 Pro 120W Bluetooth Wireless Speaker (Black)

The W-KING T9 Pro wireless speaker delivers high-quality sound and offers long-lasting performance. What's more, it connects to compatible devices in several ways, allowing you to connect devices like microphones or guitars. It also features a recording function. The package includes 2 wireless microphones.

Multiple Connection Options

The speaker connects to compatible devices in multiple ways, allowing you to customize its functionality to your needs. The W-KING T9 Pro supports Bluetooth 5.0, providing a stable and fast connection up to 10 meters away. Additionally, it offers 3.5mm audio, USB, and 6.5mm ports for connecting a guitar or microphone.

Well-Designed Construction

The speaker is equipped with an 18,000mAh battery, ensuring long-lasting operation. When fully charged, it provides up to 12 hours of use. The package includes an adapter for convenient charging. Moreover, you can pair two speakers together for even better audio effects. The W-KING T9 Pro is also IPX6 water-resistant and features colorful RGB lighting.
