W-KING D8 50W Bluetooth Wireless Speaker (Black)

Whether you're heading on vacation or to a party, take your favorite tunes with you! The W-KING D8 wireless speaker delivers a powerful 50W output for fantastic sound quality. It stands out with a remarkable 14-hour battery life and a durable, waterproof design. This device offers various connectivity options, including Bluetooth 4.2 and NFC.

Extended Playtime with Power Bank Functionality

Let your favorite songs accompany you during daily tasks, gatherings with friends, or travels. The D8 speaker is equipped with a 10800mAh battery that provides up to 14 hours of playtime. With W-KING, you can enjoy music as long as you want without worrying about the battery running out too quickly. This product can also act as a power bank, allowing you to charge your tablet or phone when you're away from home and have no other options.

Multiple Connection Options

This speaker allows you to conveniently play music from various sources, giving you the freedom to choose. The D8 model supports TF cards and lets you connect selected devices using an AUX cable. You also have wireless solutions at your disposal. If you prefer, connect to the speaker via Bluetooth 4.2 or NFC. Enjoy stable, fast transmission, forget about delays, and gain more flexibility when listening to music or making phone calls.

Exceptional Sound Quality

Outstanding harmony, rich details, and powerful, clear sound are just some of the advantages of the D8 speaker. The device boasts a 50W maximum output power, guaranteeing fantastic sound quality. Enjoy crisp high tones and deep, pronounced bass. There are also 2 EQ modes available - Indoor and Outdoor. Adjust the sound to your current situation and enhance your musical experience!

Resilient in Demanding Conditions

The D8 speaker will perform well in almost any situation. It is equipped with a special protective cover and has an IPX6 waterproof rating. You don't have to worry if you accidentally spill something on it or if you get caught in the rain during an excursion. The device is also very durable and resistant to mechanical damage. It comes with a practical strap that makes it easy to carry.
