

Car charger USB, USB-C Remax RCC107 (black)

Car charger USB, USB-C Remax RCC107 (black)

Ref: 6972174155432

USB car charger, USB-C REMAX RCC107 (black)

When you choose the Remax RCC107 car charger, you not only get efficient and fast charging, but also a robust and durable product. Don't let your device's lack of power stop you on the road - invest in the Remax RCC107 charger today.

Charging multiple devices

The RCC107 is equipped with two outputs - USB and USB-C, which allow you to charge two devices simultaneously. Thanks to fast charging technology, these outputs offer an impressive 36 watts of combined power. This allows efficient and fast charging of a variety of devices, such as smartphones, tablets and GPS navigation. The charger's input is DC12V-24V, which means it will work in both cars and trucks.

Thoughtful design

The Remax RCC107 car charger is a reliable and modern device that will provide you with fast and safe charging of your devices while traveling. Made of high-quality aluminum alloy with a sleek black finish, it combines durability and stylish design.
