Car charger USB, USB-C, Remax RCC238, 45W (black)

USB car charger, USB-C, REMAX RCC238, 45W (black)

Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

Fast charging

The REMAX RCC238 car charger is an innovative and functional device that allows you to quickly charge your mobile devices in your car. With a 12V-24V input, this charger is compatible with most car electrical systems. It supports fast charging, which guarantees that your devices will be ready to use again in the blink of a window.

Charge several devices simultaneously

The REMAX RCC238 charger is also compatible with most fast charging protocols, so you can use it to charge a variety of mobile devices. Its design with USB and USB-C ports allows you to charge two devices at once, which is especially practical for long car trips.

Comfort of use

The REMAX RCC238 charger has a handle, making it easy to connect and store in the car. Thanks to the fact that it is made of high-quality materials, you can be sure that it will serve us for a long time. This is the ideal solution for people who appreciate

functionality, fast charging and safety in one device
