Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

Fast and safe charging

The REMAX RCC239 charger has 2 2.4A USB outputs for fast charging of mobile devices. They allow you to charge two devices at the same time, which is especially practical during long car trips. The smart charging feature of the REMAX RCC239 charger provides better protection for mobile devices. Thanks to the fact that this charger automatically adjusts the charging current to the requirements of the device, you don't have to worry about damaging your devices.

Comfort of use

The REMAX RCC239 car charger is a compact device that saves space thanks to its small size. It is made of PC material, which makes it more durable and safe to use. What's more, it is compatible with 12-24V vehicles, which means you can use it in all kinds of cars. It's ideal for those who appreciate practicality, fast charging and safety in one device.
