Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

### Fast charging

The REMAX RCC329 is a car charger that provides fast charging with 75 watts of power. Thanks to this, it is able to renew 60% of your phone's battery in just 30 minutes. In addition, it is equipped with 4 inputs, including 2x USB and 2x USB-C, which allows you to charge several devices simultaneously. Fast charging is not only convenient, but also saves time, especially when you need to charge your devices in a hurry.

### Universal

The REMAX RCC329 car charger is a compact and versatile solution for different types of vehicles. Its compact size makes it fit perfectly into the interior space of your car, regardless of its type. The REMAX RCC329 is compatible with cars, SUVs and trucks, thanks to its universal 12V-24V DC input.

### Thoughtful design

Made of the highest quality materials, this charger is not only durable, but also resistant to a variety of use conditions. What's more, it guarantees safe charging without overheating, thanks to a special chip. By choosing the REMAX RCC329, you are investing in a reliable and efficient solution for fast charging of your devices in any vehicle.
