Ref: 6954851202035

Car charger USB, 2x USB-C Remax RCC330, 66W (black)

USB car charger, 2x USB-C, REMAX RCC330, 66W (black)

Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

Fast charging

REMAX RCC330 is a car charger that provides fast charging with 66 watts of power. In addition, it is equipped with 3 inputs, including 1x USB and 2x USB-C, which allows you to charge several devices simultaneously. Fast charging is not only convenient, but also saves time, especially in situations when you need to charge your devices in a hurry.

Universal

The REMAX RCC330 car charger is a compact and versatile solution for different types of vehicles. Its compact size makes it fit perfectly into the interior space of your car, regardless of its type. The REMAX RCC330 is compatible with cars, SUVs and trucks, thanks to its universal 12V-24V DC input.

Thoughtful design

Made of the highest quality materials, this charger is not only durable, but also resistant to a variety of use conditions. What's more, it

guarantees safe charging thanks to a special chip that automatically adjusts the charging current to the device in question. By choosing the REMAX RCC330, you are investing in a reliable and efficient solution for fast charging of your devices in any vehicle.
