Ref: 6954851277705

Adapter Remax USB-C to USB-C, AUX 3.5mm, RL-LA11 (white)

Remax USB-C to USB-C, AUX 3.5mm adapter, RL-LA11 (white)

Remax RL-LA11 is an innovative adapter that allows users to charge their device and listen to music at the same time. With outstanding functionality and compatibility with a wide range of devices, it is the ideal solution for people who need a practical and convenient tool that helps increase productivity and convenience of mobile devices.

Functional adapter

The Remax RL-LA11 is an extremely functional and practical adapter that allows you to charge your device and listen to music at the same time, without worrying about a drained battery. With its 30W fast charging, you can rest assured that your device will be charged in no time.

Thoughtful design

The adapter is equipped with 2 Type-C ports, which means you can connect two devices at the same time, increasing its functionality. The ABS material from which it is made makes the adapter lightweight, compact and portable, so you can easily carry it with you.

Great compatibility

The Remax RL-LA11 is also fully compatible with various devices, such as phones and tablets, making it a versatile tool for many users.

All these features make the adapter ideal for people who need a functional, convenient and practical device that will allow them to charge their device and listen to music at the same time.
