Remax Stereo TWS-43 wireless earbuds (black)

TWS Remax Stereo Wireless Headphones (black)

Discover the excitement behind the music. The TWS Remax Stereo Wireless Headphones fit perfectly in your ears, deliver HiFi-quality sound and support reliable Bluetooth 5.0 technology. The powerful battery provides up to 5 hours of use on a single charge, and an easy-to-read LED display provides information about the charge level.

Feel the magic of music

An unforgettable experience while listening to music? With Remax, it's possible! Stereo headphones offer HiFi sound quality, and with a speaker power of 0.3 watts, the sound is clear and deep, allowing you to fully enjoy your music without losing any detail. Whether you're listening to your favorite songs or audiobooks, Remax headphones will allow you to become even more immersed in the content.

Stable connection up to 10m

TWS Remax Stereo support Bluetooth 5.0 technology, which provides a stable connection and guarantees freedom when listening to music and making phone calls. With a transmission range of up to 10 meters, you can move freely around the room while listening to your favorite tunes.

Thoughtful design

The ergonomic shape of the Remax Stereo headphones means you can enjoy your music without feeling uncomfortable. The included charging case features an LED screen that provides information about the battery status. Operation of the equipment is simple and intuitive. As a result, the product is an ideal option for those who appreciate quality and convenience.

Long working time

The durable 1,200 mAh battery allows you to delight in your favorite songs and make phone calls for up to 5 hours. The time it takes for the equipment to renew energy is about 2.5 hours. In standby mode, the headphones last as long as 200 hours. With Remax you will say goodbye to limitations!
