

Choetech T518 Magnetic Wireless Charger 15W (white)

Ref: 6932112103802

Choetech T518 Magnetic Wireless Charger 15W (white)

Choetech T518 Magnetic Wireless Charger 15W (white)

Enjoy fast and convenient charging of your smartphone. The Choetech T518 inductive charger stands out with a power output of up to 15W and is equipped with 16 magnets, so it can ensure stability and safety for your charged devices. The device also stands out for its wide compatibility and lightweight, compact design.

Fast charging - wide compatibility

Forget the long wait until your devices are ready to use. The charger provides plenty of power to charge your equipment in a very short time. The product is compatible with the iPhone 14, 13 and 12 series and will also work well with AirPods, for example. Simply place your smartphone or headphones on it and it will charge them in no time!

Safety first

The T518 charger is not only efficient, but also safe. It is equipped with up to 16 magnets to keep your smartphone stable, protect it from drops and allow you to use it comfortably while charging. What's more, the device has been given multi-level protection against overvoltage, overheating, overcurrent, over-discharge and overcharging. Don't worry about damaging anything!

Convenience of use

To charge your smartphone with the charger, you don't need to take it out of the case. The T518 works perfectly with MagSafe cases and with regular cases up to 6 mm thick. This makes it extremely convenient and hassle-free to use! What's more, the charger is very light and compact with a thickness of only 5.5 mm. So you can freely use your phone while charging and, for example, watch a series or play a game.
