Remax Warmie foot warmer

Get ready for cold days and make sure your feet are effectively warmed up. The Remax Warmie foot warmer is distinguished by its 400-watt power, heats up in no time, and is extremely easy to use. The device provides stimulation of acupuncture points on the feet, which contributes to improved well-being and blood circulation. A built-in chip guarantees safety and controls the temperature.

Ready to go in 3 seconds

If you're looking for a quick and effective way to warm up your feet, the Remax Warmie warmer will be the perfect solution. The device heats up in as little as 3 seconds and features an improved PTC ceramic heater that guarantees an effective and safe heat source.

Reliable

The Warmie foot warmer has multiple air ducts, thanks to which the heat is evenly distributed throughout your feet, covering both toes and heels. Thanks to this solution, you can enjoy pleasant warmth and comfort, even on extremely cold days. You also don't have to worry about safety. The device provides protection against overheating and constantly controls the temperature. This minimizes any risk.

Home moxotherapy

With the Remax Warmie foot warmer, you can enjoy the benefits of moxotherapy in the comfort of your home. The device allows you to stimulate acupuncture points on your feet, which correspond to different organs in the body. As a result, it improves blood circulation and also helps reduce muscle pain.
