

Choetech PD6009 Wall Charger 2x USB-C 20W (white)

Ref: 6971824977943

Choetech PD6009 Wall Charger 2x USB-C 20W (white)

Choetech PD6009 2x USB-C 20W mains charger (white)

Charge 2 devices simultaneously and save time. The Choetech PD6009 charger is equipped with 2 USB-C ports and provides up to 40W of total power. It also supports standards such as PD3.0, QC3.0, Apple-2.4A and more. At the same time, the product is very light and compact - you can always have it at hand.

Fast charging

Use the charger to charge your devices in the blink of an eye - forget the long wait. The PD6009 provides up to 20 W of power per port. It also supports various fast charging standards, including PD3.0, QC3.0, Apple-2.4A, AFC and FCP. What does this mean in practice? For example, it takes around 2.2 hours to charge a 15" MacBook Pro to 100%!

GaN technology

Enjoy the benefits of GaN technology. It's what allows your charger to provide faster, yet safer charging. It will also not overheat. What's more, the solutions used have made it possible to significantly reduce the size of the device. The PD6009 is lightweight and handy enough to take with it almost anywhere - whether at home or on the move!

Charge 2 devices at the same time

The charger is equipped with 2 USB-C ports, so you can connect 2 devices to it at the same time. Don't wait until one is ready to use before charging another! The product also stands out for its wide compatibility. It can be used to charge a variety of smartphones, powerbanks and tablets without any problems, and is also suitable for Nintendo Switch consoles, Apple Watch and headphones.
