

## Remax Time Pro RT-E510 lamp (white)

Remax Time Pro RT-E510 lamp (white)

Ref: 6954851226437

### Remax Time Pro lamp (white)

Do you appreciate modern design, functionality and convenience? Remax has an offer especially for you! Time Pro provides a unique light source and up to 3 brightness levels, so you can adjust the light intensity to your mood and needs. The lamp is equipped with an easy-to-read LCD display that tells you the current time, date and even the temperature. This allows you to conveniently control your duties and plans for each day. One charge provides up to 4 hours of operation.

### Created with comfort in mind

Do you need a lamp that works well while you work, study or read at night? Remax Time Pro will be the perfect choice! The device provides soft and even illumination that is friendly to your eyes. What's more, you can conveniently adjust the angle of the light and adjust the brightness level to suit your needs. Whether you are working at your desk or reading in bed, the Remax product will not disappoint you!

### LCD display and long runtime

Thanks to the easy-to-read LCD display, you can conveniently check the current time, date and even temperature, allowing you to better plan your day. All this makes the Remax Time Pro not only a functional light source, but also an essential tool in your daily life. What's more, the device has a 1,200 mAh battery that allows up to 4 hours of use.
