SOOCAS N1 - take care of your appearance

Unwanted hairs in your ears or nose make your life miserable? With a reliable SOOCAS N1 trimmer you will forget about this problem. Simple to use, effective and lightweight - it weighs only 150 g - you'll be able to use it successfully both at home and on the go.

Multiple applications

With the help of a trimmer you will get rid of unwanted hair from your nose or ears. You can also use it for trimming the tanks. Thanks to it you will effectively take care of your appearance in even the smallest detail.

Easy to use

Operating the device is trivially simple. Simply press the button to turn on the trimmer, then place the cutting head next to your skin, nostrils or ears and gently move it to remove unnecessary hairs. Say goodbye to unwanted hair - SOOCAS N1 will help you deal with it quickly and effectively.

Trouble-free power supply

The trimmer is powered by one AA battery. It ensures long and efficient operation. You don't have to worry about having to buy expensive, hard-to-access batteries - just a simple AA battery will be enough to make SOOCAS N1 work efficiently!

Always with you

Thanks to the handy design and included case you can conveniently store the trimmer and take it with you wherever you want. Growing hairs or unevenly growing hooves will no longer surprise you on vacation or on business trips - SOOCAS N1 will make you quickly forget about similar problems.

Classic design

The trimmer is characterized by a simple yet elegant design. White color of the case combined with a gold button and decorative ring gives a beautiful, classic effect. Small dimensions and light weight make the device extremely handy and portable. SOOCAS N1 will delight you both with its functionality and its timeless style!
