

Wall charger Remax, RP-U72, USB, 22.5W (white)

Ref: 6954851228103

Wall charger Remax, RP-U72, USB, 22.5W (white)

Remax network charger, RP-U72, USB, 22.5W (white)

Fast and safe charging? With Remax, it's possible! The RP-U72 charger features 22.5W of power and supports fast charging protocols, and is widely compatible thanks to its USB port. A smart chip provides protection for the connected device, and the robust design makes the product extremely durable.

Fast energy restoration

With fast charging protocols such as QC3.0 and FCP, the Remax RP-U72 charger will instantly renew the energy of a compatible device. In addition, it offers 22.5 watts of power, which means it is also capable of charging devices with higher power requirements, such as tablets and laptops. Forget about the long wait and use your equipment comfortably!

Safety of use

Thanks to the fact that the RP-U72 is equipped with a smart chip, it not only ensures fast charging, but also safety, protecting your devices from overheating, overvoltage and short circuit. The product is made of fireproof and durable PC material - you can be sure that it will serve you for a long time.
