Powerbank Vipfan F14 10000mAh, USB + USB-C, PD 22.5W (black)

Powerbank Vipfan F14 10000mAh, USB + USB-C, PD 22.5W (black)

The Vipfan F14 powerbank allows you to charge your devices quickly and safely. It offers several ports and 2 integrated cables, so you can connect up to 4 devices to it simultaneously. What's more, it features over-discharge and over-charging protection. The 10,000 mAh capacity translates into long runtime, and the lightweight design makes the product easy to transport.

Fast and convenient charging

You can use the powerbank to charge 4 devices simultaneously - the product is equipped with USB-C and USB-A ports. What's more, Vipfan F14 comes with 2 cables with USB-C and Lightning connectors. In addition, the device supports PD/QC/AFC and FCP fast charging protocols, so you don't have to wait too long until your equipment is ready to charge again.

Durable

Don't be afraid of a suddenly discharged powerbank. The Vipfan F14 stands out with its 10,000 mAh capacity, so you don't have to worry about it refusing to serve you while you're on the go. It will charge an iPhone 14 about 3 times, and a Huawei P50 - 2 times. In addition, the LED indicator will let you know the level of the battery, so you can stay up to date.

Lightweight and minimalist

The Vipfan F14 powerbank weighs 240 grams, so it is perfect for traveling. You can successfully stow it in your backpack or purse. In addition, it features a modern and minimalist design, and the matte finish prevents the powerbank from slipping from your hand and from fingerprints.
