

## LDNIO C101 Car Charger, USB + USB-C, 100W + USB-C to USB-C C

LDNIO C101 Car Charger, USB + USB-C, 100W + USB-C to USB-C Cable (Black)

Ref: 5905316146945

LDNIO C101 car charger, USB + USB-C, 100W + USB-C to USB-C cable (black)

A car charger is a useful accessory for every driver! The C101 offers fast charging with up to 100W of power, so charging your devices will only take a moment. It features 2 charging ports - USB-C and USB-A, allowing 2 devices to renew energy at the same time. It stands out for its wide compatibility and multi-level safety features will take care of the safety of use.

### Even faster charging

Charging your devices has never been faster! The charger supports multiple fast charging standards, including PD3.0, QC3.0, AFC or SCP, and its maximum charging power is up to 100W! It will take approximately 74 minutes for the Huawei Mate 40 Pro to renew its energy to 100%. What's more, it offers 2 charging ports - USB-C and USB-A. All this means that charging several devices at once will only take a few moments.

### Wide compatibility

Forget about compatibility issues and enjoy the freedom of use of your dreams! The LDNIO car charger is compatible with a wide range of devices. You can successfully renew the energy of your Apple, Huawei, Xiaomi or Samsung smartphones with it. It will also work well for charging Lenovo or Dell laptops, tablets and much more! You can also use it with most vehicles that are equipped with a cigarette lighter socket (12-24V).

Your devices are completely safe

You no longer need to worry about the safety of your devices when charging! The advanced chip intelligently recognises the connected device and adapts the charging values to it. It also makes use of a range of protections, including short-circuit, overcharging, overvoltage and overcurrent. You don't have to worry about overheating either.

With attention to detail

The charger has been designed with attention to the finest detail. The built-in LED display keeps you informed of the charging current and voltage. Its compact and lightweight design will make it easy for you to store. A practical USB-C cable is also included to make charging your devices easier.
