LDNIO C102 Car Charger, USB + 2x USB-C, 160W + USB to Micro USB Cable (Black)

Ref: 5905316146969

LDNIO C102 car charger, USB + 2x USB-C, 160W + USB to Micro USB cable (black)

The LDNIO C102 car charger is a state-of-the-art device that provides fast and safe charging for your smartphone and other electronic devices while traveling. Equipped with the latest Qualcomm QC4+ certified, the charger guarantees super-fast charging, reducing the time it takes to charge your device's battery.

#### Fast charging

The LDNIO C102 charger has three ports - 2 x USB-C, 1 x USB. This allows you to charge multiple devices at the same time. The hardware supports most types of phones and is compatible with Quick Charge 3.0 technology, allowing you to charge devices that support this feature faster than standard.

#### Safety

The LDNIO C102 car charger is designed with safety of use in mind, so it is made of high-quality PC material that is flame-resistant. In addition, the device is equipped with short-circuit protection, overvoltage protection and overcurrent protection, ensuring safe charging and protecting your devices from damage.
