LDNIO C102 car charger, USB + 2x USB-C, 160W + USB-C to USB-C cable (black)

The LDNIO C102 car charger is a state-of-the-art device that provides fast and safe charging for your smartphone and other electronic devices while traveling. Equipped with the latest Qualcomm QC4+ certified, the charger guarantees super-fast charging, reducing the time it takes to charge your device's battery.

**Fast charging**

LDNIO C102 charger has three ports - 2 x USB-C, 1 x USB. This allows you to charge multiple devices at the same time. The hardware supports most types of phones and is compatible with Quick Charge 3.0 technology, allowing you to charge devices that support this feature faster than standard.

**Safety**

LDNIO C102 car charger is designed with safety of use in mind, so it is made of high-quality fire-resistant PC material. In addition, the device is equipped with short-circuit protection, overvoltage protection and overcurrent protection to ensure safe charging and protect your devices from damage.
