Ref: 5905316146884

BlitzWolf BW-V3 Mini LED beamer / projector, Wi-Fi + Bluetooth (black)

BlitzWolf BW-V3 Mini projector / projector, Wi-Fi + Bluetooth (black)

Transform any place into a movie theater with the compact BlitzWolf BW-V3 Mini projector. The device allows you to enjoy an image with a maximum diagonal of 200" in 1080p resolution and a brightness of up to 250 ANSI lm. The life of the LED lamp is up to 40,000 hours. The projector supports Bluetooth 5.0 and Wi-Fi 2.4G/5G, offering you a range of possibilities.

Compact design

Due to its compact size and light weight, the projector can be easily carried and used in various places. This is perfect for those who appreciate mobility - stow the device in your bag or backpack and take it with you for presentations, meeting friends, vacations or camping. Now you and your loved ones can hold movie screenings whenever you feel like it!

For your convenience

Spend quality time with your loved ones and delight in a diagonal image ranging from 40" to 200", making you feel like you're in a movie theater while enjoying the privacy of your own home. The projector can be flexibly placed on a tripod, stand or table, allowing you to adjust it to the space you are in - the projection distance is from 1.5 to 3 meters. The device is equipped with an LED lamp, which has a lifespan of up to 40,000 hours.

Highest level of immersion

With 1080p resolution and a brightness level of 250 ANSI lumens, you'll experience excellent color reproduction and rich detail, making you feel like you're right in the center of the events on the screen. Now you can forget about your surroundings and completely immerse yourself in the world of your favorite movies and series! What's more, the operation of the BlitzWolf BW-V3 Mini projector is incredibly quiet (44 dB), allowing you to fully focus on the content you are watching.

Multiple connectivity options

Thanks to the fact that the BW-V3 Mini supports Bluetooth 5.0 and Wi-Fi 2.4G/5G connectivity, you can enjoy a fast, stable and reliable connection. What's more, the projector stands out for its wide compatibility and comes with a variety of ports, including USB, HDMI and headphone input. So you can successfully connect your laptop, DVD, console, USB drive and more!

Remote control included

Enjoy comfortable operation of the projector. The set comes with a practical remote control, which will allow you to manage the operation of the device without getting up from the couch. Find out how convenient it is!
