

Cable USB-C to Lightning Cygnett Armored 12W 1m (black)

Ref: 0848116022352

Cable USB-C to Lightning Cygnett Armored 12W 1m (black)

Cygnett Armored 12W USB-C to Lightning cable 1m (black)

Use the Cygnett cable to instantly charge your Apple-branded devices. What's more, the MFi certification proves the product's reliable performance. In addition, the durable construction ensures resistance to scratching and cracking.

Fast and safe charging of your devices

The cable uses 12 watts of power and 2.4 amps, which translates into fast charging. It will charge an iPhone to 50% in about 30 minutes. It also supports fast charging of iPad 29W. What's more, the cable is MFi certified, so it will work perfectly with Apple-branded equipment, including smartphones and tablets.

Rugged construction

The Armored series cables are distinguished by their robust construction thanks to the use of DuPont and Kevlar plastics. In addition, the connectors are finished with metal alloy, for protection against scratches. In addition, a nylon braid protects the product from breakage.
