

Cable USB for Micro USB Cygnett Armoured 12W 2m (black)

Ref: 0848116021096

Cable USB for Micro USB Cygnett Armoured 12W 2m (black)

Cygnett Armoured 12W USB to micro USB cable 2m (black)

Charge your device in no time with the Cygnett cable - it uses 12W and 2.4A power. It also offers USB-A and micro USB connectors. In addition, the rugged design provides resistance to scratches and breakage.

Rugged construction

The Armoured series cables are distinguished by their rugged construction thanks to the use of DuPont and Kevlar plastics. In addition, the connectors are finished with metal alloy, for scratch protection. In addition, a nylon braid protects the product from cracking.
