Universal car mount for smartphone Cygnett for window with suction cup (black)

Ref: 0848116011745

Cygnett universal car phone holder for windshield with suction cup (black)

A car mount is an essential accessory for any vehicle. Mount your phone comfortably and use navigation safely! Mounted on the windshield, the Cygnett holder guarantees a solid and secure grip on your phone and allows you to adjust its position 360°.

Quick installation

The holder has adjustable arms, in which you can easily place a phone with a width of 55-86 mm. The clamps stably hold your device in place in any conditions! In addition, you can adjust the position of your phone according to your needs and preferences. A vertical position? Or maybe horizontal? The choice is yours!
