

### Car mount for smartphone Cygnett for window with suction cup

Car mount for smartphone Cygnett for window with suction cup (black)

Ref: 0848116031583

Cygnett car phone holder for windshield with suction cup (black)

A car mount is an essential addition to any vehicle. This one from Cygnett mounts to your windshield to guarantee a solid and secure grip on your phone and allows you to adjust its position 360°. You will mount your device quickly and safely use navigation while driving.

#### Quick installation

The mount is equipped with adjustable arms that will hold your phone solidly up to 80mm wide. The clamps guarantee the safety of your phone in all conditions. What's more, they allow you to adjust the phone's position to suit your needs and preferences. A vertical position? Or maybe horizontal? The choice is yours!
