

Straightener Comb Lisiproof LS-B002M

Straightener Comb Lisiproof LS-B002M

Ref: 6976234540060

Lisiproof straightening comb LS-B002M

With Lisiproof, straightening your hair is faster than you think! The Lisiproof LS-B002M straightening comb will let you style your dream hair in no time, straightening and detangling at the same time. Thanks to the 6-stage temperature control, you can easily adjust its performance to your needs, and the MCH heating system makes it take just a moment for the straightener to heat up. The device is extremely easy to use.

Match the temperature to your hair

The straightening comb allows you to adjust the temperature settings from 120°C to as high as 220°C. To change the mode, all you have to do is press the dedicated button and the selected value will be displayed on the built-in display! For dry hair, a temperature of 140°C will be suitable, while 180°C will work well for natural hair. Are you an owner of thick hair? Choose a temperature of 220°C!

For the sake of safety

The LS-B002M is designed to straighten your hair safely and effectively, giving you amazing results without the risk of burning. Thanks to the advanced MCH heating system, your hair will be smooth and shiny in just minutes. It is equipped with long teeth that effectively protect your head from accidental burns. What's more, with an automatic shut-off function after 60 minutes, you don't have to worry about forgetting to turn it off!

Comfortable to use

Now you can conveniently style your hair no matter where you are. The compact design of the device makes it easy to pack it in your suitcase or bag - it certainly won't take up much space. It comes with a cable as long as 2.4 meters, which rotates 360°, giving you even more freedom of movement. Even beginners can easily handle the straightener.
