Air Fryer LEACCO AF017

Leacco AF017 is an innovative Air Fryer that allows you to cook your favorite dishes in a healthy way. It provides 1500 watts of power and its capacity is as much as 8 liters, so you can successfully prepare a meal for several people. It offers 10 different modes, giving you the freedom to prepare tasty dishes. It also allows you to choose from several cooking functions, including heating, defrosting, etc. Even beginners can cope with its operation.

Healthy cooking

Leacco AF017 is an excellent option for those who want to enjoy the taste of their favorite dishes while taking care of their health. Thanks to the advanced hot air circulation technology, your favorite dishes will retain their crispness and juiciness while containing less fat. Now you can enjoy the taste of your favorite fries, chicken or vegetables without worrying about excess fat.

10 cooking modes

Now unforgettable taste sensations are at your fingertips! Air Fryer allows you to choose from up to 10 different cooking modes to help you cook healthy and flavorful dishes. Are you dreaming of juicy and soft inside chicken? How about golden, crispy fries? With Air Fryer Leacco you can easily prepare these and many other delicious dishes. Get creative in the kitchen and discover new, healthier ways to prepare your favorite dishes!

Additional features

Air Fryer will make cooking easier than ever before! The appliance offers several practical features that will put you in full control of your dishes. The defrost function will allow you to quickly and efficiently defrost frozen foods before preparing a meal. If you need to keep your food warm, the keep warm mode will make sure your dish stays hot and ready to serve even after a long time. Want to reheat previously prepared meals? The reheat function will keep them perfectly warm! A reheat function and an operating schedule are also at your disposal.

Intelligent touch panel

Operating the appliance will not be any trouble for you. It is equipped with an intuitive touch panel that makes using the Air Fryer simple and enjoyable. With it, you can adjust the temperature and cooking time, change modes, set operating schedules or stop operation.
