

Air Fryer BBQ 2 IN 1 LEACCO AF015

Air Fryer BBQ 2 IN 1 LEACCO AF015

Ref: 6976261570047

LEACCO 5L 1200W non-fat air fryer with grill function AF015.

Air Fryer Leacco AF015 is a practical device that allows you to prepare tasty dishes in a healthier way. It uses hot air circulation, which allows you to cook dishes with minimal oil. It allows you to choose from 8 different cooking modes, and offers Air Grill and Air Crisp functions. Its operation is extremely simple, and with a 5-liter capacity, you can easily prepare food for your entire family.

Multiple cooking modes

Leacco AF015 offers up to 8 cooking modes for preparing a variety of dishes. The Air Fryer will help you prepare crispy and golden fries, juicy chicken with a browned crust, as well as fluffy pastry. Your culinary possibilities are almost endless! A drying and reheating function is also at your disposal.

Healthy dishes at your fingertips

Air Grill and Air Crisp are practical functions that make the Air Fryer an indispensable tool in your kitchen. The Air Grill function will help you prepare delicious grilled dishes without having to leave the house. This allows you to cook juicy steaks, grilled vegetables or pork neck that will be just as tasty as those prepared on a traditional grill. And the Air Crisp function allows you to get the perfect crispness in your favorite dishes without using a lot of oil.

Simple and intuitive operation

Operating the Air Fryer has never been so simple and intuitive! Thanks to the touch panel, using the device becomes a real pleasure. With just one click, you can adjust the temperature, cooking time or select your preferred mode. What's more, the capacity of the Air Fryer is 5 l, which means you can easily prepare tasty dishes for more people at the same time!
