Litter Clean Pad PetWant for cat litter box (Gray)

Forget about litter spilled around your cat's litter box. The PetWant wiper will help you solve this problem! The product is distinguished by its 2-layer design - its top layer has large holes so that the dirt will fall on the lower, waterproof layer and stay on it. You no longer have to worry about them getting on your floor! What's more, the mat was created from soft, non-toxic materials that are completely safe for cats' paws. The doormat is also very easy to clean, and if you don't need it for a while, you can simply fold it and store it - it won't take up too much space.
