Car Charger Acefast B10 60W, USB-C + USB-C, with display (black)

Acefast B10 60W car charger, USB-C + USB-C, with display (black)

You no longer have to worry about your smartphone unexpectedly discharging during a long car journey - the Acefast B10 car charger comes to the rescue! The device offers charging with a maximum power of up to 60 watts and supports multiple fast charging protocols. This will renew your phone's energy in no time. It features 2 USB-C ports, so you can freely charge two devices at the same time. It stands out for its wide compatibility and the multi-level protection ensures safe use. What's more, the LED display provides real-time information about the charging values.
