Ref: 754418838518

USB-C / USB4.0 Gen3 Cable 240W 40Gbps, 1m (Black)

USB-C / USB4.0 Gen3 240W 40Gbps cable, 1m (black)

Charge your gear quickly and conveniently! With the INVZI cable, your devices will regain a full battery in no time, as it stands out for its 240W power level. What's more, you can use it with all sorts of devices, and also use it for data transfer.

### Fast charging and data transfer

The INVZI cable is distinguished by fast charging with up to 240 watts of power. This guarantees an efficient and fast charging process for your devices. In addition, thanks to USB 4.0 Gen3, the cable allows data transfer of up to 40 Gbps, which translates into lightning-fast file transfers.

### High compatibility

The INVZI cable offers great compatibility. It can charge a wide range of devices, including notebooks, phones, tablets, headphones and more. This means you don't have to worry about whether your device is compatible with the cable. It is ideal for people who own a wide variety of electronic devices and want to charge them quickly and conveniently.

### Safety

The INVZI cable was created to protect your devices, which is why it is equipped with an E-marker chip. This is a smart solution that

allows you to adjust the required current to your device, ensuring smooth and trouble-free conduction, while protecting your device from potential electrical damage. This allows for convenient and safe charging.

#### Thoughtful design

The braided nylon exterior and strong support cores make the cable strong and resistant to wear and tear. The slim TPE-covered USB-C connectors are another element that enhances the quality of the INVZI cable. Not only are they flexible enough to handle frequent use, but they also make it easy to connect. What's more, with a 1-meter long cable, you can use it freely.
