INVZI Mag Free Magnetic Stand for iPad Pro 12" (Gray)

INVZI MagFree magnetic stand / stand for iPad Pro 12" (grey)

Enjoy greater comfort while watching videos, participating in video conferences, taking notes or drawing on your iPad. The INVZI stand has a 180° tilt adjustment and allows you to rotate the device placed on it by 360°. So you can position it at just the right angle for the comfort you desire! A durable aluminium alloy is used to make this accessory.

### Adjustable

Adjust your iPad to make it even more comfortable to use. You can adjust the angle of the stand up to 180° - adjust it to look at your tablet screen at the best possible angle! You can also rotate the device 360°. Position it vertically or horizontally and draw comfortably, use the apps of your choice or watch a video on YouTube!

### Clever design

The stand is equipped with top-class magnets, so you don't have to worry about your tablet falling off and getting damaged. The product also has a special opening so that it does not obstruct the device's cameras. What's more, the accessory is made of high-quality aluminium alloy - it is very durable and resistant to damage, and visually matches the design of the iPad perfectly.
