Smart USB Adaptor Sonoff micro

Ref: 6920075775723

Smart USB Adaptor Sonoff micro

Sonoff Smart Adapter - Increased intelligent control
The functional Sonoff Micro adapter gives you full control over your smart devices. With its help you will be able to control them remotely, for example through an application, as well as by voice. The device will also allow you to set up schedules. Use its functionality to optimally manage your smart home.

Lighting remote control
Sonoff Micro gives you thousands of possibilities. With its help you can, for example, remotely switch the lights on and off. When you're at work or on vacation, the device will allow you to simulate your presence at home through intelligent lighting control - thus deterring potential thieves.

Voice control
Don't you feel like getting up from the couch or from the bed to turn off the light? Give the appropriate voice command! The Sonoff Micro adapter gives you this possibility and allows you to enjoy your dream comfort. The device is compatible with Google and Amazon Alexa assistant.

Complex schedules

Mobilemax - Gadgets and Accessories
Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal
(Continente)

Schedule your smart devices to optimize their performance. The light will automatically switch on or off at the time you set. You don't have to do it manually anymore - Sonoff Micro will make the special software take care of it for you.

Safe charging
The adapter also gives you the possibility to prevent overload of devices connected to the power supply. Set up a schedule for the intelligent software to automatically interrupt charging when it reaches 100%. This will ensure your equipment is safe and will extend its life.

Comfort and safety in use
The device is fully safe and comfortable to use. The PC V0 housing protects against damage. Resistance to high temperatures and fire gives the adapter great strength. Operation of the Sonoff Micro is facilitated by the 5 V output and input and a convenient button. LEDs indicate Wi-Fi connection and operation.

Well thought-out design
Sonoff Micro is distinguished by its practical, well thought-out design. It fits perfectly into various types of USB cables and adapters. Pocket size and minimum weight of 17 g make it possible to take it with you almost anywhere. Sonoff Micro is compatible with many devices - try its unprecedented capabilities.

Model
Micro
Type
USB Adaptor
Input
Max. DC5V/2,5A
Output
Max. DC5V/2,5A7
Nota: only supports BC 1.2 charging protocol
Wifi
IEEE 802,11 b/g/n 2,4GHz
Material
PC V0
Dimensions
45//30,5/26mm
Weight
17 g
