Sonic toothbrush with app, tips set, travel case and toothbrush holder S3 (navy blue)

Try a sonic toothbrush that removes up to 7 times more debris from your mouth compared to a traditional toothbrush. The Bitvae S3 offers 5 different cleaning modes and 3 intensity levels (up to 9 with the app), so you're sure to choose your favorite. The pressure indicator will help you avoid damaging your gums. The toothbrush also has a high IPX7 protection rating, and a single charge lasts up to six months of use! It is worth noting that it is recommended by the American Dental Association. With a dedicated app, you will gain even more possibilities! Check out which ones! The set includes 4 interchangeable tips and an elegant case.

Best results in removing impurities

The S3 sonic toothbrush is equipped with an advanced motor that generates as many as 40,000 vibrations per minute. The tip with DuPont bristles perfectly adapts to the shape of your teeth, effectively removing bacterial plaque and protecting your gums from damage! Comparing it to a traditional toothbrush, the S3 makes your teeth up to 7 times cleaner than before! Now you can enjoy the feeling of perfect freshness!

Match the cleaning mode to your needs

The S3 offers up to 5 different modes, providing you with the perfect choice. If you want to get rid of stubborn coffee, wine or cigarette stains and brighten your smile, choose White mode. For daily care, Clean mode is ideal. Are your teeth sensitive or do you have gum

problems? Sensitive mode provides a gentle cleaning of your mouth and a soothing massage for your gums. There is also a Tongue mode for you to clean your tongue comfortably. Choose the mode that best meets your needs!

Smart timer for a perfect smile

Bitvae S3 is a practical device that will make taking care of a clean and healthy smile easier than ever before. With the Smart Timer, you'll get a gentle reminder every 30 seconds to change your brushing area. After a full 2 minutes, the toothbrush will automatically turn off! That's exactly the amount of time you need to achieve that perfect fresh feeling!

Expand your options with a dedicated app!

Now you can do more! The dedicated iSpruz app will help you take professional care of your teeth! It works with iOS and Android, and it will help you learn more about your oral health. How it works. The app monitors your habits, so it can customize a cleaning plan suitable for your chosen routine. On your phone, you can easily check which areas of your mouth are worth brushing more thoroughly! Taking care of your oral hygiene has never been easier! In addition, the app will allow you to check the battery charge status. You can connect several Bitvae toothbrushes to the app!

Long runtime for complete convenience

Our product uses a powerful lithium-ion battery with a capacity of 2600 mAh, which provides up to 180 days of work for the toothbrush. Thanks to this, you can take it with you on the go without worrying about the need for frequent charging. However, if you need to replenish the power, the handy cable included in the kit will make this task easier. It only takes 4 hours to replenish the energy of the toothbrush and enjoy long-lasting use!

Additional accessories

In the set you will find useful accessories with which you will comprehensively take care of your teeth. 4 interchangeable tips, tip covers, a convenient toothbrush holder and a travel case. Take your S3 with you wherever you need it and enjoy the feeling of exceptional freshness!
