

Budi LED Car Charger, USB + USB-C, 18W, PD + QC 3.0 (Black)

Ref: 6971536923115

Budi LED Car Charger, USB + USB-C, 18W, PD + QC 3.0 (Black)

Budi LED car charger, USB + USB-C, 18W, PD + QC 3.0 (black)

Is your phone close to being discharged and you still have a few hours of car travel ahead of you? Equip yourself with the Budi car charger! The device offers 2 USB charging ports, and also supports PD and QC3.0 fast charging standards. Its maximum charging power reaches 20W, and with 12~24V power supply, it is compatible with most vehicles.

Fast charging technology

Don't waste time waiting for your smartphone to be ready to use! The car charger supports the PowerDelivery and QuickCharge 3.0 fast charging protocols, which offer charging at 20W and 18W respectively. Thanks to this, renewing your device's energy won't take long! What's more, it features 2 charging ports - USB-C and USB-A. Now both you and your passenger can charge your phones simultaneously.
