Ref: 6971536927670

Ładowarka samochodowa Budi, 2x USB-C, 40W, PD (czarna)

Budi car charger, 2x USB-C, 40W, PD (black)

Worried that your smartphone will unexpectedly discharge during a car trip and you will be left without navigation? With Budi's car charger, you don't have to worry about a thing! It is equipped with two USB-C ports, so you can renew energy in 2 devices at the same time without any problems. Its maximum charging power reaches 40W, and it also supports the PD protocol - all this means that charging will take you just a few moments.
