

Budi Car Charger, 2x USB-C, 40W, PD + USB-C to Lightning Cab

Ref: 6971536927694

Budi Car Charger, 2x USB-C, 40W, PD + USB-C to Lightning Cable (Black)

Budi car charger, 2x USB-C, 40W, PD + USB-C to Lightning cable (black).

Worried that your smartphone will unexpectedly discharge during a car trip and you will be left without navigation? With Budi's car charger, you don't have to worry about a thing! It is equipped with two USB-C ports, so you can renew energy in 2 devices at the same time without any problems. Its maximum charging power reaches 40W, and it also supports the PD protocol - all of which means it will take you just a few moments to restore your smartphone's power. It also comes with a Lightning cable for easy charging.
