Budi 627T3 car charger is an essential accessory for all car travelers. With it you can conveniently charge your smartphone, tablet and other mobile devices while driving. The 2.4A amperage ensures fast and efficient charging, and the 12W power ensures that it won't take long to renew your energy. The charger is made of durable metal, making it sturdy and resistant to damage. You can be sure that it will serve you perfectly for a long time. The 627T3 is compatible with most vehicles thanks to its 12-24V power supply. You will also find a practical 3-in-1 cable, which is equipped with USB-C, Lightning and Micro USB connectors. This way you only need one cable to charge multiple devices.
