

Magnetic wireless Charger McDodo for Apple Watch

Magnetic wireless Charger McDodo for Apple Watch

Ref: 6921002620604

McDodo magnetic charger for Apple Watch

The McDodo charger is designed to charge your Apple Watch quickly, safely and conveniently. Strong magnets provide plenty of traction to keep the device stable. A number of safety features ensure safe use, and the compact design means you can take it with you anywhere.

Thoughtful design

Now charging your Apple Watch will be even more convenient. The extremely lightweight and compact design of the device means that you can always have it within reach. This makes it perfect not only at home, but also on the go! The charger is also distinguished by its wide compatibility. It works seamlessly with all models of Apple Watch.

Safe charging

McDodo charger allows not only efficient, but also safe charging. With its help, you will renew the energy of your Apple Watch in about 2 hours. Thanks to built-in strong magnets, it stably holds the smartwatch in the same position. Multi-level protection provides a high level of security. It effectively protects against overvoltage, overcurrent, short circuits, overcharging, and overheating, among other things.
