Cable USB-C Mcdodo CA-2092 6A, 1.8m (black)

Ref: 6921002620925

Mcdodo CA-2092 USB-C cable, 1.8m (black)

Do you want to charge your devices quickly and freely? With Mcdodo it will be possible! The CA-2092 cable is equipped with fast charging technology, and what's more, with the help of a smart chip that controls the charging temperature, you get a guarantee of the safety of your equipment. With CA-2092 nothing will limit you anymore!

Fast charging

The Mcdodo CA-2092 USB-C cable offers unparalleled, safe and fast charging, allowing you to charge your device up to 57% in as little as 30 minutes. Using state-of-the-art technology, this cable guarantees not only speed, but also the safety of your equipment.

Security

Safety is one of Mcdodo's key priorities. The cable is equipped with a smart chip, so it closely monitors the charging temperature, preventing overheating and possible damage to your equipment. So you can rest assured that your devices will be safe during any charging process, enjoying the reliability and security that the Mcdodo CA-2092 offers.

Thoughtful design

The well-thought-out design of the CA-2092 cable deserves special mention. Its length of 1.8 meters gives you more freedom and

comfort when using your devices. What's more, it has been designed with durability and resistance to damage in mind. Its robust construction guarantees reliability, even under heavy use, making it an ideal choice for those who value quality and durability.
