3in1 USB to USB-C / Lightning / Micro USB Cable, Mcdodo CA-3330, 1.2m (Black)

3-in-1 USB to USB-C / Lightning / Micro USB cable, Mcdodo CA-3330, 1.2m (black)

Do you want to charge your equipment quickly and freely? With Mcdodo it will be possible! The CA-3330 cable is equipped with 3 output ports, so you will be able to charge several equipment at the same time! What's more, thanks to its thoughtful design, it will be very durable and will serve you for many years.

Fast charging and great compatibility

The Mcdodo CA-3330 cable offers a 3-in-1 solution. It features 3 outputs: USB-C, Lightning and Micro USB, making it extremely compatible with a variety of devices. You can charge several devices at the same time, making it ideal if you have a variety of equipment. What's more, its power reaches up to 100 watts, which guarantees fast and efficient charging. As a result, the Mcdodo CA-3330 cable is a practical and efficient solution for all your charging needs.

Data transfer

The Mcdodo CA-3330 cable not only charges your devices with unmatched power, but also enables lightning-fast data transfer, courtesy of its USB-C tip. With a transfer speed of 480 Mbps, this cable is capable of transferring large files in just seconds. Whether you're transferring documents, photos, videos or games, the Mcdodo CA-3330 ensures fast and smooth transfers, making it an invaluable tool for those who value efficiency and speed.

Excellent design

The Mcdodo CA-3330 cable combines innovative technology and robust construction. It uses MSC charging technology, which provides dynamic power distribution between devices. This ensures that your devices are charged optimally, with safety and efficiency. What's more, the cable has a gold-plated connector that guarantees corrosion resistance. As a result, you don't have to worry about the connection losing quality over time.
