Ref: 6921002635301

McDodo WF-3530 Cable Organizer (Black)

Want to get your home or office cable clutter under control? Mcdodo can help with that! The organizer is an innovative solution that combines functionality, ease of use and elegant design. Mcdodo is not only a way to keep things in order, but also a practical accessory that you can easily mount anywhere. Forget about clutter and complicated assembly processes - bring harmony to your space with Mcdodo.

No more clutter

Mcdodo organizer is a practical gadget that will end the prevailing chaos on your desk or in the living room. Instead of getting tangled around other items, you simply put the cable in the organizer or wind it around, which will keep things tidy. Mcdodo offers two clever slots to accommodate even more cables. This way, even if you use multiple devices at the same time, you can always enjoy a clean and orderly workspace.

Easy installation

You don't have to fear a difficult and tedious installation. Thanks to the self-adhesive underside, installation of this accessory is child's play. You can easily mount it on a desk, wall, or even on the side of a cabinet - wherever you need it most. Since no drilling or complicated tools are required, the installation process is quick and hassle-free. No longer do you have to agonize over drilling holes -

Mcdodo provides you with the simplicity and convenience that will help you keep your wires in order.
