ESR Stylus Case/Cradle for Apple Pencil 1/2th Generation (Black)

This practical and stylish accessory provides protection and allows you to safely store and carry your stylus. The product is compatible with Apple Pencil 1st and 2nd generation. It is extremely thin, easy to clean and extremely convenient to use.

## Perfect fit

Created specifically for the Apple Pencil, it provides security against scratching or losing the stylus. The flexible material allows you to insert and remove the stylus easily and quickly. What's more, it keeps it firmly in place even during transport. Forget about frantically searching for your stylus! With the ESR case you will always find it in the same place!

## Thoughtful design

To ensure your full comfort, the case features a minimalist design. It is extremely lightweight and only 3mm thick, making it unobtrusive when you place it on your iPad.

## Reusable adhesive

How to use the case? Its surface has been coated with a state-of-the-art reusable adhesive, which means you can stick it anywhere on your iPad. When you find the location unsuitable, nothing prevents you from changing it. The adhesive does not leave unsightly marks.
