Ref: 6971536924334

Budi Magnetic Dashboard Car Holder (Black)

Make it easy to use your navigation and have your phone within reach when you're driving. Budi's magnetic car mount allows you to attach your smartphone stably and is very easy to install - just stick it to your dashboard. You can also rotate it 360°. Position your phone vertically or horizontally for maximum convenience! A durable aluminum alloy is used to make the accessory, which translates into its strength and resistance to damage.
