Ref: 6971536925249

Multi-functional cable stick Budi 9 in 1

Budi's multifunctional cable stick can prove invaluable when traveling, at university, at work and more. Among other things, it offers a practical USB-C to USB-C cable with PD fast charging function and 3 types of adapters (USB-A to USB-C, USB-C to micro USB and USB-C to lightning). The product will also work well as a memory card reader or phone stand. You can also store your TF and SIM cards in it.

Hassle-free charging and more

Do you use multiple devices with different ports on a daily basis? Budi's multifunctional kit will certainly come in handy for you! You'll find a USB-C to USB-C cable that supports PD fast charging - so you can charge your smartphone in no time when you need it. You also have 3 adapters at your disposal - USB-A to USB-C, USB-C to micro USB and USB-C to lightning. Using devices with different ports will no longer be a problem! The adapter also allows you to conveniently store 2 nano SIM cards, and the kit additionally includes a special tool that will allow you to change them without any problems.

Memory card reader

Get the ability to quickly and conveniently write or read files on your memory card. Just plug the Budi adapter into the device of your choice! The product is compatible with both USB-A and USB-C ports. What's more, you can store up to 7 TF cards in it. Managing your files has never been easier!
